### NEGRO VOLUNTEERS OFFERED OPENING

Officers in charge of the main recruiting station at Seventh street and Pennsylvania avenue borthwest, report excellent opportunities for colored men in the Quartermaster's corps of the national army. In addition to this branch of the service, the Adjutant General of the War Department, has notified the recruiting officer at Baltimore to recruit six colored men of previous military experience for a detachment of cavalry at West Point. They will be sent to the recruiting depot at Fort Slocum. N. Y., as fast as enlisted.

While there has been somewhat of a lull in recent enlistments at the local recruiting stations, it is thought this condition is of a temporary character, and there will be a rush for enrollment as soon as the war spirit is aroused at the sight of departing.

# 57 ANNIVERSARY SALE

We Promised Great Things in This 57th Anniversary Sale and We're Living Up to Expectations

And for three days people have been showing just what they think of this store and the Anniversary sale by attending in tremendous crowds. New items added today which should swell the crowds.

### Editorial

We have heard but one critisale, and it came from brother merchant from another city. He said: "You haven't placed a high enough valuation on the special merchandise you are offer

ing in your sale." 'erhaps he's right; in fact, that very thing came up for discussion in one of our conferences when we were getting ready for this Great Sale.

But we decided it would be better to have you surprised with the values you receive than to feel just a little disappointed.

And right here it might be well to say that we have not had a single solitary customer say that the specials she got were below what she expected. Many have expressed themselves as being more than pleased. Quite a record for so large a sale as this one is proving to be.
